I really enjoyed ya'lls visit. I loved your books so much. I really think that my younger sister is urged to read a book that you will have published. To this day my whole class still talks about how great you both are. ***AND...*** keep following your dreams. I was so excited when I heard that recess was over for our class, because we had been looking forward to that day for 2 weeks. Your writing has encouraged me to work the hardest that I can in Writing. Mrs. Clack ***I'm so PROUD of you for coming this far.*** Mrs. King, thank again for drawing those pictures. ***They're so awesome!!!!!!*** Keep up the good work.

Yours Truly,
Sarah Alvarez
